📍 Kapan, Budanilakantha-12

Passionate and detail-oriented first-year Bachelor of IT student at Westcliff University with strong skills in communication, event coordination, and academic writing. A strong foundation in communication and cross-cultural engagement. Multiple positions in MUN coupled with public relations activities have sharpened my leadership skills while I gained experience in teaching assistance and event organization.

EDUCATION

Bachelors of Science in Information Technology

King's College (Affiliated to Westcliff University, USA) '28

+2 Science

Uniglobe High School '24

Secondary Education Examination

Reliance Public School '22
